ARTICLE 1 INTRODUCTION, SCOPE AND APPLICATION

1.1 BCCI has adopted these Minimum Standards in support of the BCCI Anti-Corruption Code and the fundamental sporting imperatives which that Code is designed to address. In particular, the Minimum Standards seek to combat advancing mobile communication technology and increasing sophistication in the methods by which betting takes place on cricket matches, by restricting to the greatest extent possible all methods of communication between Players, Player Support Personnel and Match Officials with all third parties from the moment that they first enter the PMOA on the day of an IPL Match right through until the formal conclusion of the IPL Match (i.e. after the last ball has been bowled).

1.2 By their participation (in the case of a Player) or assistance in participation or other involvement (in the case of a Franchisee, Player Support Personnel, Franchisee, Match Official or Match Official Support Personnel) in a Match, all Players, Player Support Personnel, Franchisee, Match Officials and Match Official Support Personnel shall be deemed to; (a) have agreed that they are automatically bound by and required to comply with all of the provisions of these Minimum Standards; and (b) agree to submit to the authority of the Head ACU (and/or any individual appointed by either to act on his/her behalf), to adopt, apply, monitor and enforce these Minimum Standards.

1.3 For the avoidance of any doubt, nothing in these Minimum Standards is intended to limit the responsibilities of any Franchisee, Player, Player Support Personnel, Match Official or Match Official Support Personnel under the BCCI Anti-Corruption Code or any other BCCI or IPL regulations that may apply from time to time.

1.4 The Minimum Standards shall come into full force and effect on 1 March 2019 and shall replace all previous versions of the Minimum Standards.

ARTICLE 2 ACCESS TO THE PLAYERS AND MATCH OFFICIALS AREA (“PMOA”)
2.1.6 the dining area(s) used by the Players, Player Support Personnel and Match Officials during and after the relevant Match; and

2.1.7 all other areas that the BCCI Anti-Corruption Manager determines should be included, such determination to be entirely at his/her discretion.

2.2 In relation to each IPL Match taking place at its home ground, the relevant Franchisee with regard to Articles 2.2.1, 2.2.3, 2.2.4, 2.2.10, 2.2.11, 2.2.12 and 2.2.13 or BCCI with regard to Articles 2.2.2, 2.2.5, 2.2.6, 2.2.7, 2.2.8 and 2.2.9 must:

2.2.1 ensure that there are no static / landline (or other) telephone communication devices within the PMOA on the day of the Match;

2.2.2 put in place an accreditation system that enables access to the PMOA to be strictly and easily controlled and monitored by the BCCI Anti-Corruption Manager and/or such other members of the security or stewarding team appointed for such purpose. Such accreditation system must include, at a minimum, the use of accreditation cards that bear a clear and easily identifiable photograph and the name of the individual to whom such card has been issued;

2.2.3 provide adequate security at each entrance to the PMOA at all times from the moment that the stadium has commenced its access control for the Match right through until all Players and Match Officials have left the stadium after the Match has been completed;

2.2.4 ensure that each of the members of the venue stewarding / security team allocated to be on duty pursuant to Article 2.2.3, above:

(b) is thoroughly briefed, in advance, by an appropriate representative of the Franchisee (and, where considered necessary, by the BCCI Anti-Corruption Manager) about what they are required to do to satisfactorily perform their duties in this regard;

(c) is provided with appropriate identification so as to make him/her instantly recognisable as a member of the security or stewarding team; and

(d) will ensure that the rules regarding the display of accreditation cards for the PMOA (as described in Article 3, below) are strictly adhered to at all times;

2.2.5 issue, reasonably in advance of the start of the IPL season, all accreditation cards permitting access to the PMOA to each of the relevant Players, and Player Support Personnel;

2.2.6 issue, reasonably in advance of the IPL season, all accreditation cards permitting access to the PMOA to each of the relevant Match Officials, and Match Official Support Personnel;
2.2.7 maintain a comprehensive and up-to-date list of all individuals to whom such cards have been issued and provide a copy of such list to the BCCI Anti-Corruption Manager at his/her request;

2.2.8 refer any additional requests for accreditation cards with access to the PMOA from time to time to the BCCI Anti-Corruption Manager for his/her consideration and approval;

2.2.9 provide a fixed photograph board at each entrance to the PMOA that bears a duplicate photograph of each person to whom accreditation cards for access to the PMOA have been issued pursuant to Articles 2.2.5 and 2.2.6, above, and a copy of the type of accreditation card(s) that allows entry to the PMOA;

2.2.10 install CCTV covering all access points to each of the team dressing rooms and shall ensure that such footage is copied at the end of the Match to a hard-drive or any other device provided by the BCCI Anti-Corruption Manager;

**GUIDANCE NOTE:** It is not a requirement of these Minimum Standards, but as a matter of ‘best practice’, the BCCI’s ACU recommends that, unless otherwise agreed by the BCCI Anti-Corruption Manager, each of the team dressing rooms should only have one entry/exit point.

2.2.11 ensure that there are no fixed or temporary video cameras or other recording equipment set up within any dressing room (including any adjoining medical or other similar rooms) used by the teams or Match Officials for the purposes of broadcasting video or audio footage from the moment that the stadium has commenced its access control for the Match right through until the Match has been completed (i.e. the last ball has been bowled);

2.2.12 provide a safe and secure locker (or other similar storage facility), into which all Players and Player Support Personnel (subject to the limited exceptions set out herein) must deposit any Mobile Device prior to entering the PMOA; and

2.2.13 provide a safe and secure locker (or other similar storage facility), into which all temporary visitors (including BCCI and Franchisee staff) to the PMOA must deposit any Mobile Device prior to entering the PMOA, together with a logbook facility that allows such storage to be accurately recorded and monitored.

2.3 In relation to each IPL Match, the Match Referee must:

2.3.1 check whether there are any static/landline (or other) telephone communication devices within the operational room(s) used by any Match Official on the day of the Match and, where any exist, immediately report the same to the BCCI Anti-Corruption Manager;

2.3.2 check whether there are any fixed or temporary video cameras set up within the operational room(s) used by any Match Official on the day of the Match and, where any exist, immediately report the same to the BCCI Anti-Corruption Manager;
2.3.3 ensure that the rules regarding the display of accreditation cards for the PMOA (as described in Article 3 below) are strictly adhered to by the Match Officials at all times; and

2.3.4 implement a protocol pursuant to which all Mobile Devices must be (a) collected from the Umpires (including third or other Umpires) prior to their entry to the venue on the day of the Match, and (b) safely and securely stored during the Match until such time as those Mobile Devices can be returned in accordance with these Minimum Standards.
ARTICLE 3 DISPLAY OF ACCREDITATION CARDS FOR THE PMOA

3.1 General Principles:

3.1.1 As a general rule, access to the PMOA will be restricted to only those individuals whose presence in that area is absolutely essential for operational purposes. This would invariably include Players, Match Officials, BCCI Anti-Corruption Manager, other BCCI ACU staff and Player Support Personnel such as members of the team coaching staff, medical and physiotherapy staff, team analyst, kit/baggage man, team liaison officer, team media manager and team security manager.

3.1.2 In certain circumstances, PMOA accreditation may also need to be issued to other individuals who may need access to the PMOA from time to time for operational reasons, including, for example, BCCI officials and members of the venue’s security, maintenance or cleaning or catering staff. In respect of such individuals who require access on a regular basis through the IPL season, a special supplementary PMOA accreditation card may be authorized by the BCCI Anti-Corruption Manager and produced in accordance with the provisions set out in Article 2.2.2. In respect of individuals who need temporary access to the PMOA, temporary “visitor” accreditation may be issued by the BCCI Anti-Corruption Manager. Such temporary accreditation can only be provided by the BCCI Anti-Corruption Manager, who may impose such conditions on the accreditation (including for specific time periods or areas etc.) as he/she deems appropriate in the circumstances.

3.1.3 For the avoidance of doubt, and except as described in Article 3.2, below, no individual, irrespective of their identity, job, role or responsibility, will be allowed to enter, or remain within, the PMOA without displaying an official accreditation card.

3.2 Players, Player Support Personnel and Match Officials:

3.2.1 All Players, Player Support Personnel and Match Officials must display their PMOA accreditation cards prior to their first entry into the PMOA on the day of an IPL Match.

3.2.2 Once they have complied with Article 3.2.1, all Players, Player Support Personnel and Match Officials do not need to continue to display or carry their PMOA accreditation cards so long as they remain at all times within any of the PMOA, the nets or practice area or field of play.

3.3 ‘Visitors’ to the PMOA:

3.3.1 All visitors must display their supplementary PMOA accreditation card or their PMOA temporary ‘visitor’ accreditation card (as relevant) whenever they enter or leave the PMOA from the moment that the stadium has commenced its access control for an IPL Match right through until the Match has been completed (i.e. the last ball has been bowled).

3.3.2 All temporary visitors must carry their supplementary PMOA accreditation card or their PMOA temporary ‘visitor’ accreditation card (as relevant) at all times whilst they remain within the PMOA.
ARTICLE 4 USE OF COMMUNICATION DEVICES IN THE PMOA

4.1 Subject strictly to the exceptions set out in Article 4.2, the following prohibitions shall apply from the moment that the first Player of any participating team enters the PMOA for an IPL Match right through until the formal conclusion of the Match (i.e. after the final ball has been bowled):

4.1.1 no person shall be allowed to use and/or carry any Mobile Device for any reason whatsoever, whether to access the Internet or otherwise, in the PMOA;

4.1.2 no person shall be allowed to use and/or or carry, any laptop computer (or any other similar communication device) for any reason whatsoever, whether to access the Internet or otherwise, in the PMOA; and

4.1.3 no person shall be allowed to use any static / landline (or similar) telephone capable of making calls from inside or receiving calls from outside the PMOA.

4.2 Unless otherwise agreed by the BCCI Anti-Corruption Manager in advance, the only exceptions to the above prohibitions are:

4.2.1 each team manager shall be permitted to carry a Mobile Device within the PMOA, provided that it is used either: (a) by him/her for cricket operations purposes only; and/or (b) by any Player or Player Support Personnel for any important personal matter, provided that the team manager has given his express permission to the Player or Player Support Personnel before such use;

4.2.2 not used;

4.2.3 each team security manager and Match Officials security manager shall be permitted to carry a Mobile Device within the PMOA but any such device must be turned onto silent mode at all times whilst such individual is in the PMOA and must not be used for any purpose either inside or outside the PMOA at the venue, other than in the case of a security emergency;

4.2.4 each Match Referee shall be permitted to carry all of the Mobile Devices that have been collected from each Umpire (including any third or other Umpire) as part of any protocol implemented by a Match Referee pursuant to Article 2.3.4 above;

4.2.5 each team manager shall be permitted to carry and use a laptop computer (or any other similar communication device), whether to access the Internet or otherwise, within the PMOA, provided that it is used only by him/her and only for cricket operations purposes of a logistical or administrative nature related to the Match or upcoming IPL Matches;

GUIDANCE NOTE: For the avoidance of doubt, any team manager who uses his laptop computer (or any other similar communication device) other than for cricket operations purposes of a logistical or administrative nature (for example, for personal use) shall automatically be in breach of Article 4.2.5.
Nothing in Article 4.2.5 shall prevent a Player or Player Support Personnel being able to view the screen of a laptop computer that is being used by the team manager, provided that his/her viewing of the laptop: (a) is carried out at all times in the company of the team manager; and (b) is for cricket operations purposes of a logistical or administrative nature only.

4.2.6 a further one other Player Support Personnel per team, whose identity must be approved in advance by the BCCI Anti-Corruption Manager, shall be permitted to carry and use a laptop computer (or any other similar communication device) within the PMOA, provided that: (a) it is used only by the identified individual and only for cricket operations purposes; (b) it may not be used to access the Internet and/or for any audio-video communication at any time until the final ball in the Match has been delivered; and (c) the BCCI Anti-Corruption Manager shall have absolute discretion to direct that the laptop computer (or any other similar communication device) be used only in a specific area or location within the PMOA.

**GUIDANCE NOTE:** Nothing in Article 4.2.6 shall prevent a Player or Player Support Personnel being able to view the screen of a laptop computer that is being used by the permitted Player Support Personnel, provided that his/her viewing of the laptop: (a) is carried out at all times in the company of the permitted Player Support Personnel; and (b) is for cricket operations purposes only.

4.2.7 the Match Referee shall be permitted to carry a Mobile Device within the PMOA, provided that it is used either: (a) by him/her for cricket operations purposes only; and/or (b) by any Match Official for any important personal matter only, provided that the Match Referee has given his express permission to the Match Official before such use;

4.2.8 the Match Referee shall be permitted to carry and use a laptop computer (or any other similar device), whether to access the Internet or otherwise, within the PMOA, provided that it is used only by him/her and only for cricket operations purposes;

4.3 For the avoidance of doubt, none of the foregoing provisions shall operate to prevent:

4.3.1 the use of two-way handheld devices that use dedicated frequencies over short distances (i.e. a walkie-talkie) by Player Support Personnel for the purpose of communication between the dug-out and dressing room area for medical and/or tactical reasons only in accordance with the relevant match playing conditions, provided that such communication devices are suitably encrypted to avoid detection by any third party in the nearby vicinity; and/or

4.3.2 the use of electronic communication devices between on and off-field Match Officials in accordance with the relevant playing conditions and/or any other communication protocols as may be required from time to time, provided that such communication devices are suitably encrypted to avoid detection by any third party in the nearby vicinity;

4.3.3 the wearing of microphones by a player in an IPL Match, provided that it is for the purposes of providing commentary to a television broadcast only and it complies with any official regulations that may be in force governing the type and nature of any commentary that Players may or may not be permitted to make on such broadcast during any such Match.
4.4 For the avoidance of any doubt, all individuals permitted to carry and use a laptop computer (or any other similar communication device) within the PMOA pursuant to Article 4.2 are deemed to have (a) consented to such laptop or other device being monitored by the BCCI Anti-Corruption Manager for the purpose of establishing whether or not the Internet has been accessed in any relevant period, (b) agreed to provide such laptop or other device to the BCCI Anti-Corruption Manager immediately upon request so that any identified Internet browsing activity can be audited and (c) agreed to provide such technical information (including, without limitation, any applicable MAC number) about such laptop or other device to the BCCI Anti-Corruption Manager as may be necessary to carry out such monitoring and/or auditing activity.

ARTICLE 5 LEAVING THE PMOA

5.1 Other than in the case of a medical or security emergency, once inside the PMOA, should any Player, Player Support Personnel or Match Official need to leave for any personal or any other matter that is not related to the performance of his duties in the Match in question, the following process must be followed:

5.1.1 prior to leaving the PMOA, he/she must obtain the express permission of either (a) the BCCI Anti-Corruption Manager, or (b) where the BCCI Anti-Corruption Manager is unavailable, the relevant team manager (in the case of a Player or Player Support Personnel) or Match Referee (in the case of an Umpire), who must as soon as possible report the grant of any such permission to the BCCI Anti-Corruption Manager.

GUIDANCE NOTE: such permission must explicitly set out where the Player, Player Support Personnel or Match Official is allowed to go within the venue, for what purpose and with whom he/she is entitled to communicate in order to complete that purpose.

5.1.2 whilst outside of the PMOA, the Player, Player Support Personnel or Match Official must

(a) carry his/her PMOA accreditation card and display it again prior to returning to the PMOA;

(b) comply with all of the restrictions on use of communication devices described in Article 4, as if such person was still in the PMOA; and

(c) only communicate with those third parties with whom he/she has permission to communicate and only engage in such communications as are necessary for the completion of such purposes as have been approved.
ARTICLE 6 THE AUTHORITY OF THE BCCI ANTI-CORRUPTION MANAGER

6.1 At each IPL Match, all Franchisees, Players, Player Support Personnel, Match Officials, Match Official Support Personnel and any other visitors to the PMOA agree and acknowledge that the BCCI Anti-Corruption Manager (or such other member of the BCCI ACU) shall have absolute authority, without being required to provide any explanation or reason, to:

6.1.1 be present in any part of the PMOA (including, for the avoidance of doubt, any part of the dressing room) where he/she considers appropriate at any time on the day of the Match;

6.1.2 issue temporary ‘visitor’ accreditation cards for the PMOA where he/she considers appropriate on the day of the Match;

6.1.3 approve or deny any request for PMOA accreditation cards, irrespective of the identity of the individual requesting such accreditation;

6.1.4 remove, or cancel the validity of, any PMOA accreditation card already issued, irrespective of the identity of the individual with such accreditation;

6.1.5 require any person who is not displaying a valid accreditation card to leave the PMOA immediately, irrespective of the identity of such individual;

6.1.6 require any person in possession of any Mobile Device, laptop computer (or any other similar device) to immediately provide such Mobile Device, laptop computer (or any other similar device) to the BCCI Anti-Corruption Manager for auditing purposes, such auditing to take place at an agreed time and place and in the presence of the owner; and

6.1.7 require any person in the PMOA to immediately submit themselves and/or any clothing, baggage or other items in their possession, to be searched by the BCCI Anti-Corruption Manager, provided that such search is carried out in the presence of a third party who shall be a member of the venue stewarding / security team.

6.1.8 accompany any Player, Player Support Personnel or Match Official who has been given permission to leave the PMOA for an expressly approved purpose.

6.2 Any failure to comply with any request made under Articles 6.1.6 or 6.1.7 shall be deemed to be a breach of these Minimum Standards and will be dealt with in accordance with Article 7, below.

ARTICLE 7 BREACHES OF THE MINIMUM STANDARDS
